

V E N O M

Venomous **E**xotic & **N**ative **O**rganisms **M**eeting

Adelaide
June 15-16 2010

VENOM Adelaide 2010 is open to all persons involved professionally in keeping venomous animals, native and exotic, terrestrial and aquatic, in registered zoos, reptile parks and fauna parks, or in companies undertaking such work, venom researchers and clinical toxinologists. **VENOM** Adelaide 2010 is designed as a forum for sharing information of relevance to this group on all aspects of venomous animals and their husbandry. The meeting has evolved from past conferences on exotic venomous snakes in zoos & fauna parks.

Venue: The Lyrebird Conference Facility at the Adelaide Zoo, Frome Road, Adelaide

Dates: Tuesday June 15th and Wednesday June 16th, 2010.

Registration: Registration fee Aus\$165.00. Registration will cover the meeting abstract book, morning & afternoon tea and lunch on each day and the official dinner on the Tuesday evening, which will also be in the Lyrebird Conference Facility.

All eligible persons are encouraged to register for **VENOM** Adelaide 2010, which will feature invited presentations by leading international experts on venomous animals and the effects of envenoming. Abstracts are welcome from registrants. The final program will reflect the breadth and depth of topics covered by invited speakers and by submitted abstracts. Invited keynote speakers include:

Prof. David Warrell (Oxford, UK)

Prof. Julian White (Adelaide)

Prof. Jamie Seymour (Cairns)
